

# Find your focus.

## Real insights that make a real impact.

When the world of work feels like pure chaos, it's time to stop and focus. Focus on the real issues facing HR. Focus on what you can do.

That's where Workhuman® Live comes in. Since 2015, we have brought together the best and brightest minds in the industry. And this year, we're leveraging everything we know to cut through the noise and get to the root of HR's biggest challenges.

### Retreat to wonderfully weird Austin

A city of divergent thinkers and innovative ideas, Austin is the perfect place to flip the script on the world of work. Together, we're going to roll up our sleeves and get down to business. The business of making work more human that is. Join us for:

- Compelling insights from top leadership and HR experts
- Workshops that challenge and engage you
- Incredible networking with industry leaders
- Continuing education credits
- The best food and entertainment that Austin has to offer
- Inspiration that continues long after the conference ends

### Explore four powerful content tracks:

#### You're doing too much

Focus on what's creating value and set aside what isn't.

#### You are a purpose driver

Focus on what drives your people and they will drive your business.

#### You are future-proof

Focus on your people because they determine your future.

#### You are the answer

Focus on culture as a strategic imperative.

KEYNOTE SPEAKER

Announcing:

## DR. BRENÉ BROWN

There's no one better than Brené to help you get to the heart of what really matters. A research professor and bestselling author, she'll show you how to lead with courage and cultivate bravery within your organization.

### Don't just take our word for it.

See why BizBash recognized Workhuman Live as one of the **10 Most Innovative Meetings of 2022.**
