MAY 16-19 2022 | ATLANTA

Where the leaders of culture management meet the pioneers of the human workplace.

Workhuman® Live is where HR practitioners, executives, advocates, and industry thought leaders come together to tackle work's toughest challenges and learn new ways to make an increasingly hybrid workplace a more human one.

At Workhuman Live, you will:

- Gain fresh insights on topics like the Great Resignation and DE&I
- Custom-tailor your experience by choosing from more than 50 breakout sessions across eight content tracks
- Renew your own sense of purpose and recenter your organization around human-first practices
